Artists travelling with NICOLAS BAUDIN and MATTHEW FLINDERS saw many new animals and plants. They made delightful drawings of them and of the sailor activities and aboriginal people. Choose a drawing and colour it in as you imagine the scene may have looked like. Or draw and colour in Matthew Flinder’s cat “TRIM”.

Put your name, your school and your grade on the colouring in drawing and make sure you give it to your teacher who will bring it to the **Front Office of your school** by **11am Friday March 29, 2020.**

There is a prize to be won for the winner and a runner-up prizes as well. Prizes will be awarded on Monday **8 April** at the Soldiers Memorial Gardens, Victor Harbor at **4:00pm** after the raising of the flags. ‘Colour away, my hearties!’
